

SERVE Energy Week: Final Conference

Title: Sustainable Energy Communities – Pathways to 2020

09:00 – 09:30 Registration & Coffee

Opening Session: 09:30 – 11:30

Time	Topic	Speaker
09:30 – 09:50	Welcome & Overview of SERVE	Seamus Hoyne Limerick Institute of Technology
09:50 – 10:00	CONCERTO Premium Concept – monitoring – assessment - policy	Andrea Immendoerfer Karlsruhe Institute of Technology

Case Studies of Community Energy Projects

10:00 – 10:10	Community Wind At Last!	John Fogarty Templederry Community Group
10:10 – 10:20	A Rural Community Tackles Energy Demand	Gearoid Fitzgibbon Drombane Energy Group
10:20 – 10:30	Ballynagran Zero Twenty Initiative	Christoph Walter MosArt
10:30 – 11:15	Expert Panel Discussion	Stjohn O'Connor Department of Energy, Communications & Natural Resources Ciaran Lynch Limerick Institute of Technology

11:15 – 11:45 Coffee Break

Seminar 1: 11:45 – 13:00 Skills & Training for Sustainable Energy

Seminar 2: 11:45 – 13:00 Building Standards & Energy Performances

Title	Speaker	Title	Speaker
Build Up Skills Ireland – Results to Date	Mark Keyes IT Blanchardstown	Comparing DEAP to actual Energy Performance	Michael Bell Tipperary Energy Agency
Energy Training for Professionals	Joseph Little Joseph Little Architects	Emerging Technologies in Mechanical Systems –	Maurice Falvey Nilan Ireland

CONCERTO is
Cofunded by the
European
Commission

		Next Generation of Housing	
An Industry Perspective on Training Needs	Fintan Smyth Saint Gobain Gyproc	What is a Near Zero Energy Building?	Seamus Hoyne SustainCo Project
13:00 – 14:00	Lunch		
Seminar 3: 14:00 – 15:15 Behaviour Change – Energy & People		Seminar 4: 14:00 – 15:15 Financing Solutions	
Title	Speaker	Title	Speaker
The impacts of SERVE on people & community – case study results	Tina Opalic REGEA	The economic impacts of SERVE retrofitting	Julije Domac REGEA
Energy Information & Behavioural Change	Marc Delghust Research Foundation Flanders (FWO) – Flemish institute for technological research (VITO)	ESCO's / EPC's for Ireland – Can it happen?	Ian Boylan Target Energy
Supporting Communities to Reduce their Carbon Intensity	Vincent Carragher Tipperary Energy Agency	Innovative Funding & Financing Opportunities	Tristan Oliver Greater London Authority RE:FIT Team Leader
15:15 – 15:45	Coffee Break		
15:45 – 17:30	Closing Session		
What SERVE Meant to me?			
Time	Topic	Speaker	
15:45 – 15:55	Homeowner	John Grant	
15:55 – 16:05	Contractor	Mathew Collison FPI Solar	
16:05 – 16:15	Ecovillage Member	Deirdre O'Brolchain	
16:15 – 16:45	Seminar Feedback		
16:45 – 17:00	Questions & Answers		
17:00 – 17:15	Closing Remarks	Seamus Hoyne Limerick Institute of Technology / SERVE Project Manager
